Hot point 1

- "Gia Sena" is a Princess 85 Flybridge Motor yacht built in 2009, based in Greece and available for charter around the beautiful Ionian islands and the Aegean Sea.
- She is rebuilt in 2018, is currently being fully upgraded and will be in pristine condition by May 2019.
- No expense has been spared in the luxurious upgrade of "Gia Sena", with her magnificent interior and lustrous exterior. Our super yacht will not fail to impress even the most demanding clients.

Hot point 2

- The elegant style of the yacht has an interior sanctuary that brings back the benchmark for modern life. The Flybridge is an impressive invitation for outdoor entertainment with a large dining room opposite a well-equipped wet bar that is further complemented by a large cushion behind the sun. The hot tub is awaiting you and your guests.
- An extensive single-level main deck provides ample entertainment space with a flexible kitchen layout. Three separate seating areas ensure the utmost privacy for visitors with the crew able to move discreetly around the boat. Underneath the deck, up to 8 guests are accommodated in 4 beautifully appointed en-suite cabins. The full beam master suite is the luxurious epitome of elegance and boasts a large double bed and walk-in-wardrobe.
- Furthermore, one double and one twin cabin complete her spacious accommodation.
- Our team's priority is to listen to your preferences, understand your needs and help you create the perfect luxury yacht cruise for you and your family or guests.
